Open Facilities: Schools may use school facilities for students in their building prior to or at the conclusion of the school day. Coaches may serve in a supervisory capacity only. There is no instruction, no teaching, no coaching, etc. Coaches may not participate or play in any manner. It is a free play type atmosphere.

Weight training/conditioning: Must be a generic type program that would be beneficial to all students and not sport specific. Exception: In baseball and softball, players may throw to condition arms.

Dead Period: No coaching, observing, or contact between coach and players in sport involved. There is no practice, no open facilities, and no weight training/conditioning.

Preseason Scrimmages: A school cannot practice with or scrimmage another school until both schools have practiced a minimum of three days. A school may have a maximum of 4 preseason scrimmages or 2 preseason scrimmage dates or 1 preseason scrimmage date and 2 preseason scrimmages.

Practice During the School Day: All athletic practice during the regular hours of any school day shall conform to the same rules, regulations, and seasons as corresponding athletic practice outside the school day.

Tournament: All tournaments shall be held on consecutive days with no other regular season games being played during the tournament unless permission is granted by the Executive director. A tournament is defined as a competition of three or more teams and three or more games, matches, etc., which progress to determine a winner.

Multiple Contests: In all individual sports (cross country, golf, track and field, tennis, and wrestling) individuals accompanied by a coach may enter varsity competition at a different site on the same time and date, and this will count as two days on the school's schedule.

Beginning Sport: Any school that is starting a sport for the first time may have five days of off-season practice prior to the first season the sport begins. This would apply to girls' volleyball, girls' soccer, soccer, baseball, girls' softball, and track and field. It would not apply to football and basketball since schools are allowed 10 days in the off-season in football and 5 days in the off-season in basketball.
